2. The incident occurred in the City of Las Vegas, County of Clark, State of Nevada.
3. Christine Mackinday and Johnathan Koppenhaver have been dating for 15 months. Corey Thomas states he is also in a dating relationship with Christine Mackinday for 2 to 3 months.
4. LVMPD Event 140808-0491. On Friday August 8th 2014 at 0450 hours I officer S. Schumaker P#8743 and Officer M. Truax P#13752 responded to Sunrise Hospital in reference a domestic disturbance that occurred at [REDACTED] Las Vegas, NV 89121.

Upon arrival contact was made with victim Christine Mackinday DOB 05/09/1991. Both of Mackinday's eyes were swollen shut. Mackinday had bruising around her eyes and dry blood around her nose and mouth. Mackinday also had swollen lips and was missing two of her teeth. Mackinday was asked what happened and she stated her boyfriend Jonathan Koppenhaver whom she has been dating for 15 months came over to her residence at approximately 0130 hours while she was in her bedroom in bed with her friend Corey Thomas. Koppenhaver slapped Mackinday and then began beating up her friend Thomas.

Thomas left the residence and Koppenhaver began accusing Mackinday of cheating on him. Koppenhaver began going through Mackinday's text messages and then began punching her in the face with his fist causing her to fall to the ground. C Mackinday stated once she was on the ground Koppenhaver started to kick her causing bruising to her right rib and left thigh.

Mackinday stated Koppenhaver threatened to kill her and took her cell phone so she was unable to call police. Mackinday stayed in her bedroom and heard Koppenhaver going through drawers in the kitchen. Mackinday believed Koppenhaver was looking for a knife to kill her with and in fear of her life ran out of the house and began knocking on neighbors doors to call for help.

Koppenhaver was last seen in a blue or gray Toyota Prius bearing CA plate 6MRW024. Koppenhaver is possibly headed back to San Diego.

ID responded to hospital to take photos of Mackinday's injuries. Mackinday suffered a blow out fracture of her left eye, and was admitted to Sunrise hospital pending results of CT scan and internal injuries. DV Detectives responded to the scene and hospital to take over the investigation.

5. LVMPD Event 140808-0494. On Friday August 8th 2014 at approx 0530 hours officers made contact with victim Corey Thomas at Sunrise hospital while investigating a Battery DV w/SBH under event 140808-0491.

Thomas stated that he was in bed with his girlfriend Christine Mackinday at her residence at [REDACTED] when suspect Jonathan Koppenhaver entered the room, jumped on top of him and began punching him in the face approximately 15 times. Thomas stated Koppenhaver grabbed him and put him in a choke hold almost making him go unconscious. Thomas managed to get out of the choke hold and stated Koppenhaver pinned him down and began punching him in the face again. Koppenhaver threatened to have his friends kill Thomas if he told anyone and he then let him leave the residence.

Thomas went to his job in at Spring Mountain and Valley View and called police reference the incident.

Thomas was transported to Sunrise trauma for his injuries.

Thomas suffered a bone fracture and multiple contusions from being punched in the face multiple times. ID responded to hospital and the scene. DV detectives responded to take over the investigation.

6. Officer S. Schumaker P# 8743 documented his investigation on a Domestic Violence Report Form on which he indicated that Mackinday's upper and lower lip and mouth were swollen and bloody. Mackinday's nose was bleeding, and her left and right eyes were swollen and bruised. Mackinday had bruising on her back and right thigh. Photos were taken at the time of response and uploaded into LVMPD records. Mackinday completed a voluntary statement by audio interview and Thomas completed one by dictation to a responding officer. Koppenhaver was unable to be located.

7. I Detective D. Tomaino P#8278 am a member of the LVMPD Family Crimes Detail, and I was assigned to investigate this incident. My investigation revealed that Johnathan Koppenhaver has previous charges related and unrelated to Domestic Violence in the state of Nevada. Charges include but are not limited to the following: Battery Domestic Violence, Battery w/ Substantial Bodily Harm, Battery, and Possession Stolen Firearm.

Mackinday was found to be further suffering from a lacerated liver. Mackinday was admitted for observation to determine if surgery will be necessary to repair her injury. Mackinday has extensive facial injury identified by multiple fractures and breaks. Thomas's injuries included a broken orbital and fractures throughout his face as well. Both victims injuries are still be evaluated and the final diagnosis for both is forthcoming.

Mackinday was further found to have sexually assaulted by Koppenhaver. A Sexual Assault interview was conducted by Sexual Assault Detective J. LaFreniere P#7570. Detective LaFreniere's interview is in brief as follows:

On 8-8-14, Detective J. Lafreniere P# 7570, with the Sexual Assault Unit of the Las Vegas Metropolitan Police Department (LVMPD) responded to Sunrise Hospital and conducted an interview with Christine (Christy) Mackinday DOB 5-9-91. Christy had been admitted to Sunrise Hospital and was assigned room 6216 in the Trauma Department. Christy has substantial visible injuries to her face, including swelling and lacerations. Due to the injuries Christy's speech was not always clear and Detective Lafreniere occasionally had to repeat Christy's answers to her, so Christy could verify her account and to assure clarity. The following is a paraphrased version of the interview. The interview was recorded and will be transcribed for full, specific content. Christy relayed the following:

She is 23 years old and she resides at [REDACTED] Las Vegas, NV 89169. She has been an "on-again, off-again" dating relationship with Jonathan (Jon) Koppenhaver for the past 15 months. Currently they are in a dating relationship and she identified Koppenhaver as her "boyfriend".

Koppenhaver does not live with Mackinday, though he does have a key to her residence, and has spent the night at her house. Koppenhaver is a professional fighter, owns a clothing company called "Alpha Male Clothing Company", and he resides in San Diego, CA. Koppenhaver has a phone number of [REDACTED]. He drives a 2010 Toyota Prius with California license plates and a bumper sticker which reads "I heart Christy Mack".

On 8-8-14 Mackinday was at home, asleep in her bed, in the master bedroom. Mackinday was wearing a grey tank top, and grey and white shorts. Mackinday's friend Corey Thomas was also at Mackinday's home and sleeping in

the same bed as Mackinday. Mackinday described she and Thomas are currently in a "non-sexual relationship", though have had sex in the past.

At approximately 1:30-2 am she woke up to her dogs barking (2 pit bulls that were also sleeping in her bed) and Koppenhaver walking into her room (Koppenhaver was wearing camo Tom's, dark grey cargo shorts, and a white shirt which read "Alpha Male Shit Clothing Company") and turning on the light. Koppenhaver then attacked Thomas while he was lying in the bed and Koppenhaver began punching Thomas in the face. Mackinday asked Koppenhaver to stop and Koppenhaver continued to punch Thomas, **(1 Count) Battery w/ Substantial Bodily Harm**. While Koppenhaver was beating Thomas, Mackinday dialed 911 from her cell phone, [REDACTED] and hid the phone from Koppenhaver. Mackinday did not say anything to the operator and she left the phone with an open line. Mackinday explained Koppenhaver choked Thomas by placing Thomas in a "rear naked choke". Mackinday described this as Koppenhaver placing his arm around Thomas's throat and grabbing his arm with his other hand to "get a good grasp". The fighting continued for approximately 10 minutes and Koppenhaver eventually released Thomas from the choke hold **(1 Count) Strangulation**. Thomas was bleeding "profusely" from his face and Koppenhaver had Thomas's blood on his shirt. Koppenhaver told Thomas to leave and told Thomas that he would kill him if he reported this and Koppenhaver went to jail. Koppenhaver said he would give his friends all of Thomas's information and his friends would find Thomas and kill him if anything happened to Koppenhaver.

After Thomas left, Koppenhaver turned his hitting to Mackinday. Mackinday said Koppenhaver first began hitting her when she was in the area between her bedroom and bathroom. Mackinday could not remember where Koppenhaver hit her first. Initially Mackinday said she did not think she lost consciousness but she later explained that due to not being able to remember all details, she may have lost consciousness **(Count 1) Battery w/ Substantial Bodily Harm DV-Related**.

Koppenhaver then took Mackinday's clothes off of her and he forced her to take a shower (in the bathroom attached to her master bedroom). While she was in the shower Koppenhaver continued to yell at her (she could not recall what he was yelling), **(1 Count) Kidnapping DV-Related**.

The next thing Mackinday recalled was being on the bathroom floor, naked, and Koppenhaver continued to hit her in the face. Mackinday recalled Koppenhaver punched and kicked her left leg while she was in the fetal position on the ground. Mackinday further recalled being on "all fours" by the shower and Koppenhaver kicked her in the ribs. Mackinday described Koppenhaver broke several of her teeth while punching her, **(Count 2) Battery w/ Substantial Bodily Harm DV- Related**.

Mackinday remembers Koppenhaver going through her Instagram and Twitter accounts (@ChristyMack) and everytime Koppenhaver found something he did not like, he would hit her in the face with both, open and closed fists. To look through Mackinday's accounts, Koppenhaver used Mackinday's cellular phone (white Galaxy S4 with a white "Mophie" case).

While Mackinday was lying on the ground in the bathroom Koppenhaver told her "that's my pussy and I'm gonna take it back now". Koppenhaver then licked his hand and put it on her vagina, **(1 Count) Open and Gross Lewdness DV-Related**. Mackinday denied that Koppenhaver penetrated her vagina at all and denied any other sexual contact. Koppenhaver did tell her that he was going to rape her but he "could not get hard" and he was mad about it. Mackinday did not see if Koppenhaver exposed his penis. Mackinday consented to a sexual assault examinations. Due to her condition Mackindays could not be removed from Sunrise to have the examination and Detective Lafreniere requested that SANE Nurse Jeri Dermanelion respond to Sunrise Hospital to conduct the examination.

8. Mackinday further identified Koppenhaver with a dull kitchen knife that had a broken handle. She stated Koppenhaver had held it to her head and threatened her with it. Mackinday escaped when Koppenhaver told her he needed to finish the job and went to the kitchen looking for a sharper knife. Mackinday heard Koppenhaver down in the kitchen going through drawers, with metal objects clanging on the counter. When Mackinday heard the noise, she went out the bedroom door to the back yard and escaped, **(1 Count) Attempted Murder DV-Related**.

9. Due to the above information disclosed by victims Christine Mackinday and Corey Thomas to Officers S. Schumaker, M. Truax, and Detective J. Lafreniere the following is understood: Koppenhaver then attacked Thomas while he was lying in the bed and Koppenhaver began punching Thomas in the face. Mackinday asked Koppenhaver to stop and Koppenhaver continued to punch Thomas, **(1 Count) Battery w/ Substantial Bodily Harm**. While Koppenhaver was beating Thomas, Mackinday dialed 911 from her cell phone, [REDACTED], and

hid the phone from Koppenhaver. Mackinday did not say anything to the operator and she left the phone with an open line. Mackinday explained Koppenhaver choked Thomas by placing Thomas in a "rear naked choke". Mackinday described this as Koppenhaver placing his arm around Thomas's throat and grabbing his arm with his other hand to "get a good grasp". The fighting continued for approximately 10 minutes and Koppenhaver eventually released Thomas from the choke hold **(1 Count) Strangulation.**
